## The Programs

- Public sector agency institutional strengthening
- Community development
- Specialised training

## Misunderstandings

- MSC replaces M&E
- Extreme cases vs typical cases
- Story only
- Requires little effort
- End of program

Don't Use Where MSC

- Typical cases
- No 'mystery'
- Accountability focus
- Not well resourced
- Expect it to be easy
- No feedback

## Future

- Combine training and collection
- Not mention domains
- Good and bad
- Database
